**I AM**

**RESEARCH**

**Sheena**, research participant

Every year, more than half a million people help improve healthcare and develop life-saving treatments by taking part in health and social care research.

To find out more, ask your doctor, nurse or healthcare professional, or visit [www.iamresearch.co.uk](http://www.iamresearch.co.uk)

**Be part of the solution**

Help shape the next 70 years of the NHS.
